

Dear Parents,

This letter is to inform you that we will be increasing our fees for all families by \$25.00 monthly commencing January 1, 2021. Kids Come First hasn't increased our fees since 2017. Our program fees have been consistently lower since we opened in 1993. At this point, we will still remain lower. Please see the list below of comparable programs that offer school age care.

Kids Come First, like many programs has seen a decrease in enrollment, however our monthly expenses such as rent and insurance hasn't decreased. Staffing has remained consistent as we have needed to accommodate multiple cohorts.

Here is a list of comparable programs monthly fees that are licensed and offer school age care:
